Hi Laura,

I just contact Samir and Sheraz again, and asked them to confirm their availability. I'll let you know as soon as I hear back.

Thanks!

Hi Lori,

I hope you're doing well.

I wanted to follow up with you on this. Does that time/day work for Samir and Sheraz at Valley Air?

Good Morning Laura,

I have identified Wednesdays from 2:00-2:30pm as a good time on CARB's end for these recurring calls (30 minutes each, every two weeks). Will that work for the schedules of Meredith Kurpius and Elizabeth Adams? Please let me know if you have another day in mind for these calls. After we sort out the schedules on our ends, I'll check with Samir and Sheraz at Valley Air to be sure it works for them as well.

Thank you!

Lori

Lori,

Thank you! I have cc'd Laura Hall, who can help figure out schedules for Elizabeth Adams and myself. I think the ideas was to have these meetings regularly so I suggest we try for ½ hour every two weeks. I know we may not be able to adhere strictly to this, but let's start there.

Meredith

Hi Meredith,

Sorry for the delay in responding. I agree that the meeting should be between the six folks identified in your email.

Kurt's assistant is Lori Isbell (cc'ed here). She can help with scheduling for the CARB folks.

I appreciate you initiating these follow up meetings.  
Michael

Michael,

I am following up on Samir's request for regular meetings to discuss SJV's PM2.5 plan. Elizabeth and I understood this to mean a meeting between: Samir/Sheraz, Kurt/you, and Elizabeth/me. Is that your understanding, too? Note that staff-level meetings will also be occurring. Apparently Kurt offered his admin person to help schedule these meetings. Please let me know the easiest way to get the wheels turning on this – I'm happy to reach out to Kurt's admin person if that's helpful. Thanks for your assistance on this.

Meredith
